TALK OF BULL

The Tigers, victorious against us the last time we met, once again on the day proved too good for our side. Congratulations to them, they deserved the victory and we can offer no excuses. Our reserves side started slowly but eventually steamrolled the opposition. A team effort here with Allen Bank, Bruce Clarke, Hocus Rooster and Mick being outstanding and a promising effort given by young ruckman Lindsay Kell and Gordon Maurie.

In the League game the forwards had a nightmare the way the ball was delivered to them — floating punt kicks which the Canning defenders relished. This style of delivery may have been imposed on players because of various injuries but if this was the case then they shouldn't have taken the field.

Ian Saunders was one players whose disposal was good and his tigerish efforts made him our best players. Newcomer Ken Hart showed a great deal of promise with five goals and Noel Knight was a very determined defender.

We look forward to encountering Kwinana today. We cannot afford to take these games lightly with Kwinana fresh from victories last week.

On the social side a most successful mouse racer meeting was held recently. The races proved popular with the women (surprisingly so) and no doubt another such evening will be organised before the end of the season.

The big raffle tickets will be on sale shortly. Prizes include a reverse - cycle air conditioner, a large wall unit, a compost tumbler and several other prizes. Members will be given a big incentive to sell their books and the tickets will sell at 50c each. Lorraine and Dave Walker have got their Ladies Committee organised in a big way this year and this is good to see. Any ladies who would like to volunteer their services in some way please contact Lorraine or Dave.

MIGHTY ROYALS

Another fine team performance by the reserves last week saw them run out easy winners in the game against Kalamunda. After only two games this season, our reserves team have shown that they can put as good a performance as they have done in previous seasons. Special mention must be made of last week's trophy winners in Angie Fimognari and Arthur Jago.

Unfortunately, our league team were slow off the mark again, but made amends in the second half when they played the type of football that they must play for four quarters. It was a good team effort after half time, due to the efforts of the rucks and rovers and centre-line players getting the ball away from the bounce-downs and throw-ins. Alf Stal, John Risely and Geoff Truscott were the trophy winners in last week's league match.

This week Canning are our hosts, so let's stay after the games and show our support.

HAVVA

THE BULLDOGS

Last week Gosnells completely outclassed a mediocre Kelmscott side and scored a convincing victory. No excuse can be offered for the lack of endeavour shown by our side. Gosnells run on style of play and their dominance on the ball with their ruck rovers and rovers in particular creating many forward moves after half time left the final result in no doubt. Best players Peter Edwards, Glen Mezger, Mark Hildebrandt and Eddie Donnes.

The earlier game also saw 4 premiership points go to the opposition. Congratulations to Greg Dunn on his first senior game. Other former Junior players to stand out on the day were Graham Scari, Mark Hildebrandt, John Moreno and Neil Bradley.

Reserves best players Gary Turner, Percy Hansen, Brent Mezger and Peter Dowling.

Today we play host to the seaiders, two wins are an absolute must against Mandurah. Our players must support each other and turn in a 100 per cent effort.

THE HAWKS

Our coaches and supporters must feel proud of the team effort shown by all players in the three winning games last Sunday. Comfortable winning margins in all games and best yet to come.

With every new season positional and settling down problems arise which when ironed out improve the side, our club is no exception and we can only benefit from the first two games with talent popping up in every quarter.

An interesting thought is the hard task the selectors have when the incoming players this week showed they were worthy of further selection. Training attendance and performance will obviously be the deciding factor during this year when the teams are considered. The Hawks will be noted this year for their team effort in games and as accentuated by the leading Goal Kicker Award we share our goals around.

Congratulations to Norm Barrett on his 100th game last week. He can now confuse his opponents with Italian obscurities.

Brian and Judy Lester produced a filly last week and the Club's heartiest congratulations are extended to them.

The boys have asked me to extend an invitation to the ladies committee to join them for a drink after taining on Friday nights. They will supply the beer if you girls will supply the food. Apparently peanuts and potatoe chips don't mix as well with breathalisers as a good belly full of spaget.

Deepest sympathy to Mrs Lennon, Peter and John in their sad loss during last week.

J.W.C.

THE TIGERS

"Back in Business" — that was the consensus of opinion amongst Tiger supporters last Sunday after a dogged fighting victory over last years premier side Maddington. And if that performance is any criteria then their opinions are indeed well founded. After being all tied up on the scoreboard at half time, a tremendous third quarter team effort saw the Tigers with a four goal advantage going into the last quarter, an advantage that proved sufficient to withstand a belated Maddington challenge.

With another complete team effort from our league side, it is perhaps unfair to isolate plays for particular mention, but columnist's opinion of those deserving this was Peter Kimberley, his usual supreme effort at centre-half-back, Johnny Vlahov, who has no peer at centre in this competition and Vic Cizeika, whose positional change from rover to a wing set the seal for our victory.

Ron Wilcox and Greg Green both defied medical advice to take their place in last week's side. Their efforts are the epitome of the character required to gain a place in the Tigers line up.

An improved display was given by our Seconds side and despite being beaten by a healthy margin, indicated they are not far from recording their first win for the season. Peter Ensell, Eddie and Mick Fitzgerald and Tony Doney all turned in fine games.

Ken Nock, well known father of Craig — or vice a versa, has been appointed to our committee of management and our club will certainly benefit from his efforts.

Our form thus far would indicate that we should start favourites to win today's game — maybe so, but the last time we beat Kenwick was around five years ago, they are definitely our "bogey" team and Ron Wilcox is certain to demand a full effort from our players to ensure victory.

TRIBUNAL

Noel Vanheythuysen, Kwinana, reported for kicking William Cooke of Mandurah. Tribunal finding: GUILTY: Stood down for the next two playing dates of his club.

Terrence Woollorton of the Mandurah Club reported for striking Frank Legena of Kwinana. Tribunal Finding: GUILTY: Stood Down for the next eight playing dates of his club.

William Truscott of the Kenwick Club reported for striking Gary England of Kalamunda. Tribunal Finding: GUILTY: Severe Repremend.

Graeme Gawned of Kalamunda reported for striking Raymond Shepherd of Kenwick. He was also charged for using abusive language to the central umpire. He was found GUILTY of both charges and stood down for the next four playing dates of his club.

Gregory Sladden of Canning was reported for striking Ronald O'Halloran of Maddington. GUILTY: To be stood down for the next four playing dates of his club.

THE LIONS

Although beaten by Armadale in both grades the League and Reserve sides showed improved form which augurs well for the future.

LEAGUE: Apart from a shocking third quarter and the loss of Vice Captain Gav Denton and Jim Ballantyne, we managed to develop some play-on football and excellent efforts from Ozzie Osborne on the ball, Wingman Wayne Lloyd, David Payne roving and Steve Phillips and Greg Taylor kept Thornlie on the move till the final siren. However three quarter efforts don't win matches.

RESERVES: After an even first half Armadale went away to a comfortable victory, however it was very pleasing to see the way our boys fought this game out. Best were: — Don Herbertson Roving, Bob Mildwaters, half-back, Stan Elliott wing, Old Stalwart Ed Kavanagh and Steve Vickers.

SOCIAL: Winners and diners night Friday 6th May \$7 per head — limited tickets available

PERSONALITY OF THE WEEK : Gavin Denton Vice Captain for 1977 — Gavin is a dyed in the wool Thornlie player in his 10th year with the club, having come up through the juniors — possibly the fittest player at Thornlie Gav is giving great service at Centre Half Back.

TOOTHLESS LEO

THE KNIGHTS NOTES

Congratulations to both sides on a fine double last week. Mandurah are always a hard side to beat at home and it was good to gain the four points in both the league and reserves.

Best players for the reserves side were Sandy Muir, Tom Mannion, Ron Roberts and Randall Tanner. The league side had many good players. For sheer courage John Lange deserves special mention. A recurring shoulder injury in the first minutes of the game did little to reduce his effectiveness and he played strongly all day. Garry Cuckrov, Ron Caporn, Tony Davis and Noel Vanheythuyzen (8 goals) were players who performed well although there were a dozen others also worthy of mention.

Today's game against Maddington will no doubt be a tough one. The Bulls are always tough competitors and no doubt today will be no exception. Kwinana welcomes our visitors and hopes we are again able to enjoy their company at our after match get together.

SOCIAL NOTES: The raffle will be drawn today at three quarter time. There may still be a few tickets left in your hurry.

The Quiz night tomorrow night at the Tavern.

The Annual Ball will be held on June 3rd at the Recreation Centre. More news of the next week.

DEMONS DIGEST

1977 65 YEARS YOUNG

Today we travel to Gosnells, home of the "Hawks". As all Demon followers will well remember from last season, we scored an upset win in the league match against all odds. This year, the Demons have stoked up their fire early with two good wins in their first two games, and are generating plenty of heat.

Last week at Thornlie, the League side ran out winners by a most handsome margin of well over 100 points. This was not before however, the Lions shook up the Demons in the first quarter with good, fast, quick tackling football. Once into their stride, the Demons moved with the speed and ferocity of a cheetah, pouncing on every stray ball and capitalising with maximum effect. Once again the whole team is to be congratulated on their fine teamwork. No one will begrudge some special mention for Maxie Van Helden, a prince among wingers, the spectacular high-marking of Col Towers, and the very high work-rate of ruckman Charlie Tenardi. Now that you're in the four fellas, stay there!

The Reserves game against Thornlie was a real eye-opener, unrecognisable from the week before. Coach Johnnie Rowe was well pleased with his lads and their teamwork. This team has the ability (how many times have I said it, I've lost count) and with some polishing off of the rough edges, they will become a smooth efficient outfit, and nobody's fool, that's for sure! Well done fellas!

Our Under 18's continued the winning sequence for the day when they had a comfortable win over Maddington. Among their best players were Dave Laque (sorry for incorrect (?) spelling Dave), Russell Stevens, and Ron Fogarty. Demonship fellas!

To cap off a great day for the Demons the Under 16's went and thrashed Maddington by some 20 goals! Coach's comment in one word, TEAMWORK! This word is the master key isn't it? A very hard key to cut, but, with it, you can open all doors.

What can I say about our supporters? When our supporters outnumber the home team supporters, what else can I say but you're bloody marvellous! As we say in this club, BE A DEVIL . . . FOLLOW THE DEMONS!

NOTICES: Bierfest on Friday 20th May, in the Armadale Hall, from 8 to late. Music by the Alpines, floorshow by the Edelweiss Dance Group, Licensed Bar, B.Y.O.S. \$10 Double. Don't be like Schultzie who knows "no...think" or you'll miss a great night out!

Car Stickers: Great value at 30 cents. We know you support Armadale, but who else knows? Buy a sticker and let everyone know!

PEEGEE

Today's game against Thornlie will be the big test for the new look Kalamunda side. Both sides have lost their opening two games by considerable margins and no doubt, Thornlie are after a victory just as much as we are. Although we are a long way from a crisis point, a loss today will have all the supporters very worried. With at least half the league team being new recruits to the club, Kalamunda's losing disposition should be somewhere in the past, and we look forward to today's game with a great deal of confidence.

Congratulations to Phil Dunbury, John Parravacini, and Chris Blackett for their efforts in last week's dismal performance against Kenwick by the Reserves. The spirit of the previous week was sadly lacking, and with the chance of a victory today, we will need all players giving 100%.

The story of last week's league game against Kenwick was one bad quarter — the third again. Allowing Kenwick to score 8 goals to our two was the difference between the two teams, but, we all know, football is played over four quarters and the inevitable result of a one quarter lapse in concentration is defeat. With our best chance of victory so far this season being in today's game, we cannot afford one poor quarter.

To the Thornlie players, officials and supporters we extend a warm welcome to attend our "After Game Social", which will be held in the Wattle Grove Hall on Welshpool Road, just west of the railway line. To our own players and supporters, we extend the same invitation as your support of the Club, in this very pleasant manner is essential.
